

# CASA House

## Bathrooms

There are bathrooms located on all floors of the building. All bathrooms are for people of all genders.

→ Accessible toilets can be found on the ground floor and on level two.

→ The toilet in CASA House is not accessible.

### Ground floor toilets

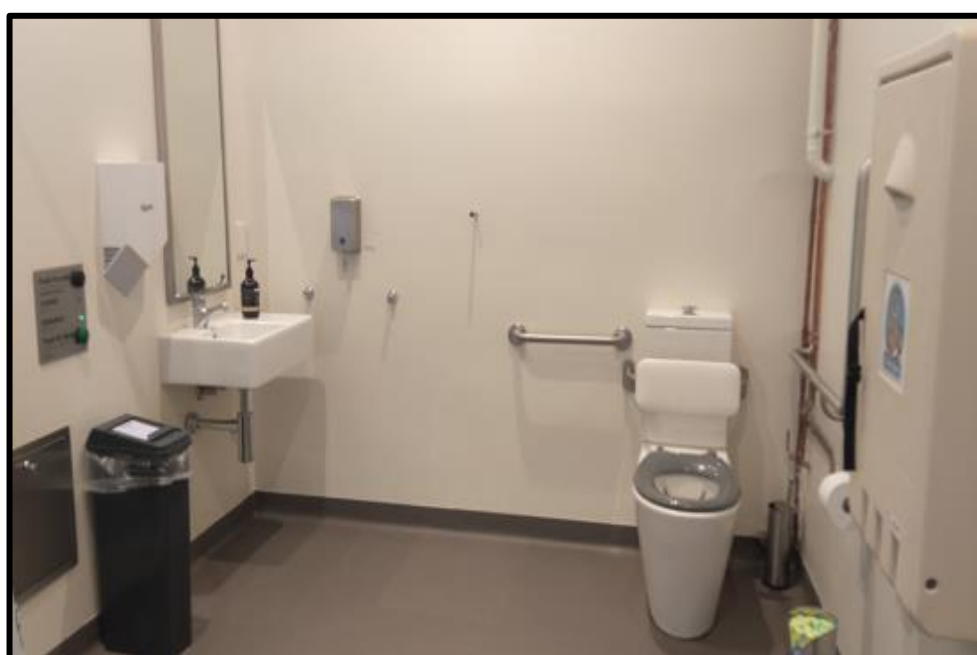

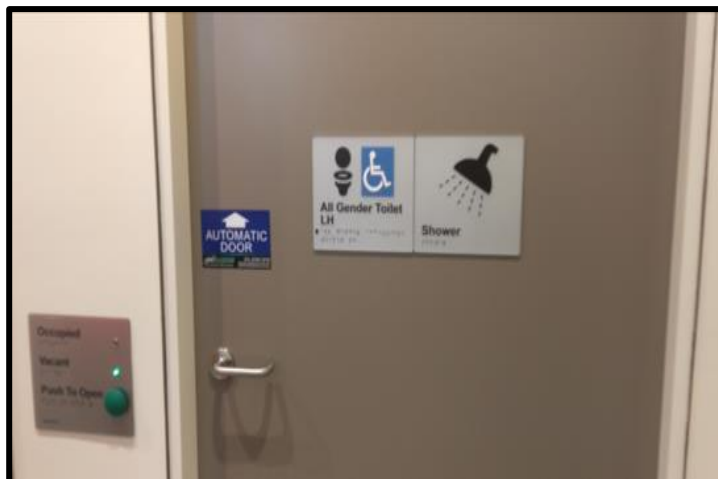

The ground floor toilets are found behind the lift and down a short hallway. They are close to the back entrance at QV square.

There is an accessible toilet and a number of other toilets in this space. There are communal sinks.

### Ground floor accessible toilet

There is one accessible toilet on the ground floor of the building. This toilet has an automatic door with a push button. The room also has a shower.

### Non-accessible ground floor toilets

There are five non-accessible toilets located in the same area. They all have separate cubicles and share one sink that is located in the bathroom hallway.

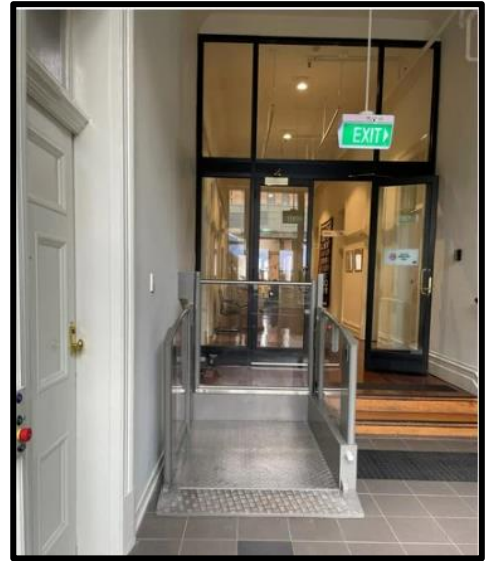

The doors into these toilets are 85cm wide.

## Second Floor toilets

There are two toilets on the second floor. There are two stairs to get to the hallway. Once you are up the stairs, follow the hallway round the right corner and the toilets are at the end. There is wheelchair lift next to the steps.

*The hallway is 130cm wide*

### Second floor Accessible toilet

The accessible toilet on the second floor does not have a push button to open the door. You will need to manually open the door.

*The door is 85cm wide. The room is 2200cm wide and 2550 long.*

### Non- accessible toilet.

There is one non-accessible toilet on the second floor. There is a lock on the toilet cubicle and the sink is communal.

## CASA House toilet

There is one bathroom in the CASA House office on level 3. It is not accessible.

The bathroom has a main door and then a door separating the sink from the toilet.

The lock is found on the main door. The toilet is next to the waiting room and down a short hallway.

*The door to the bathroom is 80cm wide.*

*The door between the bathroom and the toilet is 65cm wide.*

*The bathroom is 106cm wide and the toilet is 100cm wide.*

*The hallway is 85cm wide.*
